Dear Judge Marrero,

This office represents the plaintiff in the above referenced matter. I received a call from the Clerk requesting a copy of the complaint so that this case could be transferred to the Eastern District of Pennsylvania. After receiving the call, I checked the ECF system and learned for the first time of the February 13, 2008 Order. I did not receive email notification as I normally do and did not check the ECF system as the complaint was only recently filed and was just served last week. To date, neither defendant has submitted an answer or contacted my office for an extension of time to reply. I therefore respectfully request an opportunity to submit a letter detailing the reasons that venue is proper and convenient in the Southern District of New York, especially since the Defendant maintains a resides within New York City and the contract was negotiated and executed within New York City as well.

Thank you for considering this request.

Very Truly Yours

Jason M. Wolf
